

Mobile Softphone (SIPCO)

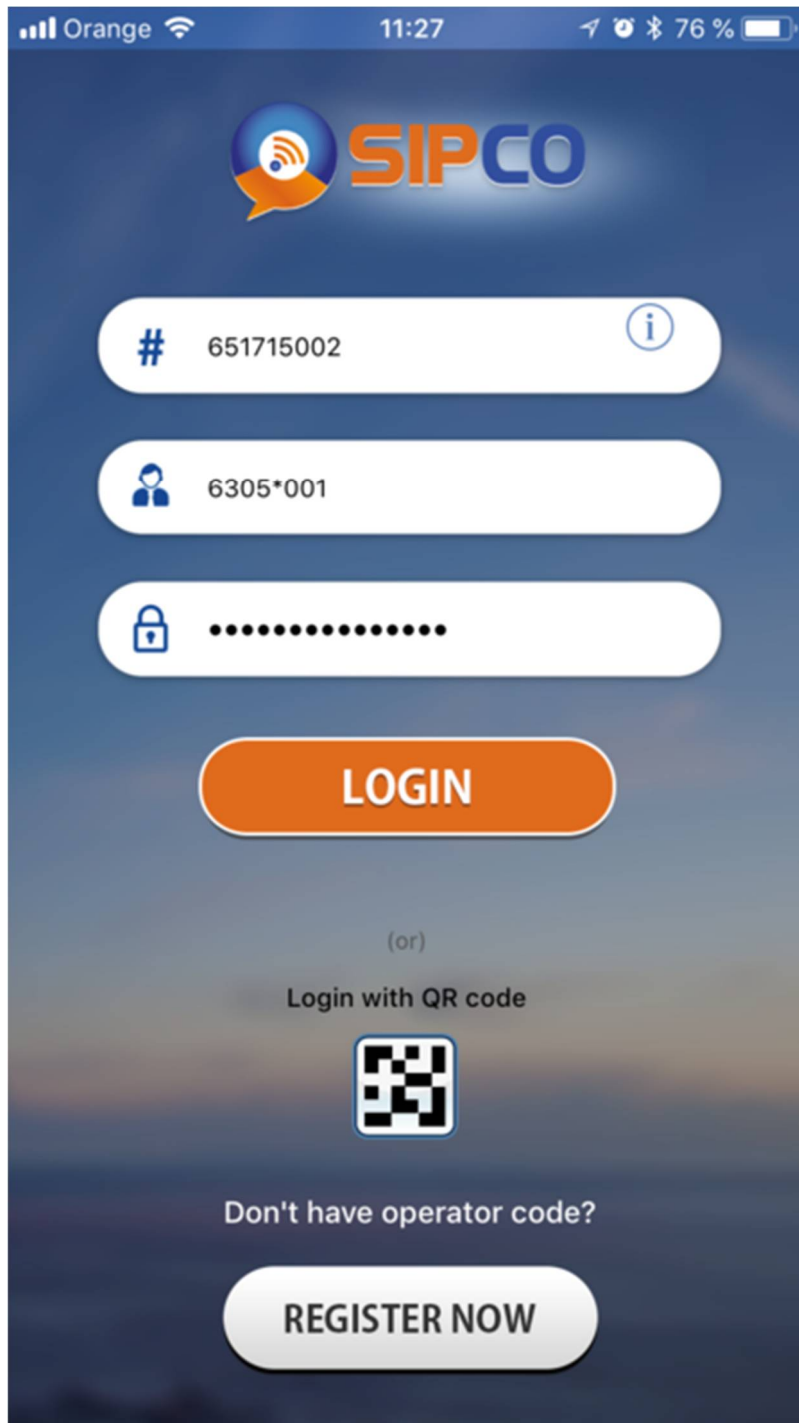

This is a new softphone we can tell our customers they can use on their mobiles:

First step, download the app from the App Store /Google Play:

Second step, open the app and introduce following details:

- The **Operational Code** is **ALWAYS: 651715002**
- The **SIPUser/Extension**: is the extension username.
- The **Password**: is the extension password.

Finally click on Login and that's all.
